Southern Economic History Project
Working Paper Number 3
Appendix E

Detailed Description of Sixty-One
Economic Regions of The South
In 1880

Roger Ransom - University of California, Riverside, California
Richard Sutch - University of California, Berkeley, California

May, 1971

Note: This is a preliminary draft of the tables to be incorporated in Appendix E. The verbal descriptions and detailed map of each region are not included. Reference to these tables in works intended for publication should be cleared with the authors.
